The 1st South East Asian Conference on Science, Technology and Innovation Policy and Management (SEAC-STIPM 2018)

“The Innovation-Driven Transformation of Emerging Economy”

ICE BSD City, Indonesia

November 1, 2018

CALL FOR PAPERS

Hosted and Organized by:

**Research Center for Development of Science and Technology – Indonesian Institute of
Sciences (PAPPIPTEK – LIPI), INDONESIA**

and

Perdana School – Universiti Teknologi Malaysia (UTM), MALAYSIA

Background

The purposes of SEAC-STIPM 2018 aims to build a regional platform that allows experts in the area of science, technology and innovation policy and management (STIPM), or science, technology and societies (STS), to share and discuss their latest researches in topics related to the theme of this conference, **“The Innovation-Driven Transformation of Emerging Economy”**. The innovation-driven transformation of emerging economies poses theoretical to academics and practical challenges to policy makers due to the intertwining of technical, structural, institutional as well as political dynamics.

The SEAC-STIPM 2018, which is cohosted by PAPPIPTEK – LIPI (Indonesia) and Perdana School of STI Policy – UTM (Malaysia), invites academics and researchers to submit their papers addressing the above issues, allowing us to discuss and learn from each other. The conference will include a number of keynote speakers that will share their experiences in research as well as in promoting their research to policy makers of science and technology policy.

Keynote Speakers

1. Yanuar Nugroho, PhD.
Deputy Chief of Staff, Executive Office of the President, Republic Indonesia
2. Prof. Zamri bin Mohamed
Deputy Dean, UTM Perdana School, Malaysia

Conference Tracks

At SEAC-STIPM 2018 parallel paper tracks containing accepted submissions will be organized around the following broad themes:

1. National innovation strategy for overcoming middle-income trap
2. Innovation network and global value chain
3. The multi-sector capacity building of innovation policy
4. Exploiting opportunities from disruptive technologies
5. R&D management issues.
6. Innovativeness and the Culture of Progress

Important Dates

First call for papers	March 9, 2018
Open for submission of papers	March 9, 2018
Deadline for submission of papers	May 15, 2018
Acceptance notification	May 30, 2018
Conference date	November 1, 2018

Paper Submission

Scholars who wish to present their research at the conference must upload a full paper (in PDF) not exceeding 12,000 words (including notes, tables, appendices, list of references, etc.) through the conference website no later than May 15, 2018. Only novel and previously unpublished research is eligible for presentation and the name and affiliation of the author or authors must be removed throughout the paper before submitting it for review. Submission of a paper grants permission to SEAC-STIPM to publish it on the special issues of STIPM Journal.

All submissions will be reviewed anonymously by at least two reviewers working independently of each other. The reviewers will consider the novelty, academic quality and the paper's relation to the theme of the conference. The decision of paper acceptance will be given between May 15 – 30, 2018. Revised versions of accepted papers may be uploaded until July 30, 2018.

Fee

The participation to this conference is **free of charge**. Participants may register until August 30, 2018.
